DESCRIPTION

Large two-story, buff brick, hip-roofed Prairie style house with 3-bay brick front porch with cast stone trim. A one-story flat-roofed addition with iron balustrade was built in the 1930s for use as a family room. In the 1950s a very sympathetic, two-story bedroom addition was built set back from the front facade on the the opposite side. Each addition repeated the 1/1 double-hung windows with prominent wood screens with a vertical 4/1 design unifying the facades.

SIGNIFICANCE

Built in 1918 by contractor H.H. Myers of San Angelo for William Schneemann, a rancher and president of the powerful Guaranty State Bank. The house remains in the Schneemann family today (1985). The house is a good example of the large, well-built, Prairie style house with additions by the same family as needs grew. It is located on a block of compatible houses.
