TEXAS HISTORICAL COMMISSION

Dear Mr. Steely:

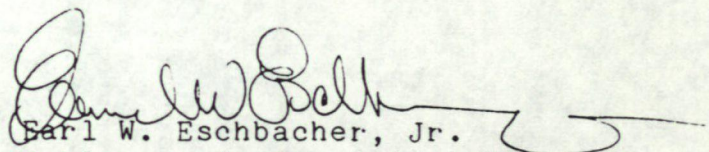

Thank you for your letter of August 31, 1987, advising us of the nomination of the Federal Building-Court House in Lufkin, Texas, to the National Register.

We concur in this move. As you are aware, we have considered this small building as eligible for listing and have treated it as significant. This is indicated by our cooperation with your office in the current rehabilitation and modernization required to convert this old Post Office Building to a Federal Court House.

General Services Administration will continue to conform to Section 106 and allow the Advisory Council on Historic Preservation to have an opportunity to comment on all future projects in this building.

If you have any questions, please contact Howard Cappel, of my staff, at (817) 334-2531.

Sincerely,

Earl W. Eschbacher, Jr.
Assistant Regional Administrator
Public Buildings Service
